

Kathee Nelson Art, LLC

Online Art Workshops

“How It Works”

Each online workshop includes a reference image, line drawing, supply list, and weekly step-by-step instructions with demo's and/or sample works in progress by Kathee.

Kathee takes you through each project week by week, and you have unlimited question and answer by e-mail contact. In addition, you can scan and email your work in progress to Kathee for critique and suggestions twice during the course of the workshop.

Each Monday following receipt of your payment, you will receive a weekly installment with tips and information that you need to work on your project.

Are you ready?? You can start today!
